Count all competitive entries for each OUSA-sanctioned race. Do not include map hikers or fun races held in conjunction with the event. Multi-part races on the same day constitute one race. If more than 3 sanctioned races are included in the event, compute the remaining races on a separate sheet and add to totals. Juniors are those under age 21.

**For fee waiver NREs, just report the numbers of entries and indicate it was a fee waiver NRE.** (Note that these starts will be counted in the charter renewal process at the end of the year and charged the normal start fee for all non-NREs.)

**Sanctioning fees:**

Total per-race competitive entries, OUSA and non-OUSA, including DNS, DNF, DSQ, and OVT unless the entry fees were refunded. Note: championships are all OUSA bid events and IOF events.
