Financial Considerations for JNT Members

JNT applicants should consider the financial commitment.

Participation on the Junior National Team requires a team uniform and a significant amount of travel by the athletes. The table below provides example cost estimates for events and the uniform. Please note that these are estimates and may change. Returning team members may be able to utilize their 2016 uniforms.

JTESC recognizes that these costs represent a significant financial burden for the athletes and their families. Through JTESC/JDT/JNT fundraising efforts and donations to the Junior Program, we are often able to reduce these costs. Athletes who would like to participate but cannot due to financial hardship should speak with the Junior National Coach (Erin).

Estimated costs per athlete

Training Camp/Race	Travel¹	Accommodation	Event Transportation	Equipment or entry	Food	Total
Oct Natl Camp	\$400	\$40	\$50	\$30	\$100	\$620
Denmark Natl Camp	\$1200	\$400	\$100	\$80	\$100	\$1880
JWOC Team Trials	\$450	\$100	\$50	\$100	\$100	\$800
NAOC	\$1100	\$100	\$50	\$100	\$50	\$1400
National Events (2)	\$800	\$100	\$40	\$80	\$120	\$1140
Regional training camps (2)	\$400	\$100	\$40	\$40	\$80	\$660
Team Uniform ²						\$130
JWOC ³ (2 weeks in Europe for training and JWOC)	\$1200	\$1,600	\$100	\$100	\$200	\$3200
Total	\$5,550	\$2,440	\$430	\$530	\$750	\$9,700

(footnotes are on next page)

Notes:

1. Travel numbers are for airfare.
2. Amount for Team Uniform includes: pants, socks, shirt, and jacket.
3. JWOC is by selection. The estimate assumes a two-week trip to Europe, with subsidies allocated by JTESC.
4. The total number is for everything. Most athletes will only be participating in some events. Our goal is to support juniors in their travel, the more fundraising we can do as a team the more we will be able to reduce these costs.
