

2019-2020 US Senior Team Coaching Position

Description:

The US Team is looking for a coach to review individual training plans, training logs, be a general source of information on elite orienteering, and help provide a basic communication structure for the team. The position would be as a private contractor with Orienteering USA.

Responsibilities:

- Review each team member's training plans for 2019-2020 and provide feedback on areas of improvement.
- Monitor each member's training logs on Attackpoint, providing feedback when needed. Links to logs will be provided.
- Be available to answer direct emails regarding topics pertaining to elite orienteering: route choice, application of techniques, approach to training and competition, etc.
- Attend monthly team conference calls, helping to create better team cohesion and responding to members' questions.
- Potentially attending WOC as a team leader.

Hours:

- 10 hours monthly

Length:

- 10 months, starting the date contracted

Payment:

- \$2,000 per year of coaching

Applying for this position:

Please send a letter expressing your interest and your background in orienteering and a short résumé of your experience in elite orienteering and coaching to erinschirm@gmail.com and eamontranslation@gmail.com
